

QAS ETF STRATEGIST ONLINE

www.qas-service.com

QAS ETF Strategist Online is offered to you by Quantitative Analysis Service, Inc. (QAS), a leading provider of actionable risk/reward investment research world-wide. It's the high-end, institutional grade, easy-to-use and intuitive online tool for ETF strategists, portfolio managers and researchers.

Each day, by 5:30pm EST, we report current QAS Risk Zone information on 900+ major US-listed ETPs, according to our own risk framework (QAS Ecosystem). Please visit our ETF Strategist/Education page on www.qas-service.com/education.html for more information.
